Brand New Book ***** Print on Demand *****.In Victorian England, George Muller daily prayed and relied upon the Lord alone to provide the food, clothing, and shelter for the thousands of children in his orphanage. This book is a collection of his sermons. Covering such topics as The Twenty-Third Psalm and Trust in the Lord, the reader is enriched with practical words of comfort and encouragement. Muller shows the depth of the love of God, he implores people to accept that love and forgiveness, and he exhorts the believer to walk in His light. The sermons also recall the proof of God's care for His people as Muller shares many of the answers to prayers he received over the years. At the same time, we gain a closer look at the man whose relationship with God sustained him through the most challenging times and encouraged him to trust his Lord in every situation.
