Lane published a book on the history of the Key Family titled Key and Allied Families. Her work has been considered to be the basis for many Key Family Histories since that time. However, she had many inaccurate family connections. One is led to believe that all of the Key families of the early colonial times were related. Such, however, is not true. There will be another book at a later date that will include the other Key Families. This is a four volume set with the index being in volume four. Eighteen hundred plus pages is simply too many pages for even a two volume set. One needs to obtain all four...
