Cleansing the Fatherland: Nazi Medicine and Racial Hygiene

By Götz Aly, Etc., Peter Chroust

JOHNS HOPKINS UNIVERSITY PRESS, United States, 1994. Paperback. Book Condition: New. 224 x 152 mm. Language: German,English . Brand New Book. The chapters in this volume painfully drive home the point that certainly as far as Germany is concerned, the lessons of the Third Reich have not yet been learned. These significant attempts by younger recruits to the larger medical establishment to change things through eye-opening reflection and analysis, however uncomfortable, need support. -Michael H. Kater, author of *Doctors under Hitler*, in the foreword. The infamous Nuremberg Doctors Trials of 1946-47 revealed horrifying crimes -ranging from grotesque medical experiments on humans to mass murder-committed by physicians and other health care workers in Nazi Germany. But far more common, argue the authors of *Cleansing the Fatherland*, were the doctors who profited professionally and financially from the killings but were never called to task-and, indeed, were actively shielded by colleagues in postwar German medical organizations. The authors examine the role of German physicians in such infamous operations as the T 4 euthanasia program (code-named for the Berlin address of its headquarters at Number 4 Tiergartenstrasse). They also reveal details of countless lesser known killings-all ordered by doctors and all in the name of...
