Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Here is a list of my best stocks for 2016. I categorize them into 2 groups: Value and Growth. Select the category that fits your investing objective(s). The stock selection is quite similar to my last book, Best Stocks for 2014. It selects stocks according to the current market conditions. In addition, a simple market timing technique is included to tell you when to exit the market and when to return to the market. Remember that you re paying for my research about \$10 (Kindle version). It is a bargain if it can make money for you. For my last book, Best Books for 2014, it has been a great bargain. However, there is no guarantee for future performances. I do not list charts and current metrics of all recommended stocks as in most other similar books do. First it would cut down many trees unless it is in digitized format. Second, all the information will be obsolete by the time you read this book. Instead, I include the instructions on how to re-evaluate the recommended stocks fundamentally and technically. The performance of my last book, Best Stocks 2014 According to Me, was published in Dec. 16, 2013. The annualized return from Dec. 16, 2013 to March, 16, 2014, 3 months away is 23 beating SPY by 44 . Since this book was published on 12/10/2015, the fundamentals of the recommended stocks may change by the time you buy this book. Section III shows you how to update the fundamental analysis and technical analysis. When the market is risky (Chapter 22), do not buy any stocks. Buy the recommended list of stocks when the market...
