Reviews

*This pdf might be well worth a study, and a lot better than other. It really is simplistic but excitement inside the fifty percent in the book. Its been printed in an exceedingly straightforward way which is just after i finished reading this ebook through which really modified me, modify the way i believe.

Paul Dry Books, Inc, United States, 2004. Hardback. Book Condition: New. 175 x 119 mm. Language: English . Brand New Book. In her latest book, Eva Brann has collected observations and aphorisms written over more than thirty years. Open Secrets / Inward Prospects divides in a rough but ready way into two sorts: observations about our external world well known to all but not always openly told, and sightings of internal vistas and omens, wherein she looks at herself as a sample soul. Often the aphorisms balance opposing thoughts, as if the writer were simultaneously on both ends of the seesaw. In the preface Eva Brann describes her manner of composition: I wrote these thoughts down on about two thousand sheets, two to three thoughts per paper, and I kept them in some used manila envelopes, the earliest of which bore a postmark of 1972. Eva Brann is a member of the senior faculty at St. John's College in Annapolis, Maryland, where she has taught for over fifty years. She is a recipient of the National Humanities Medal. Her other books include The Logos of Heraclitus, Feeling Our Feelings, Homage to Americans, The Music of the Republic, Un-Willing, Then and Now, and Homeric Moments (all published by Paul Dry Books).
