Brand New Book ***** Print on Demand *****.Abby loves going to church camp every year with her family. She always has a blast at the week-long junior high camp her dad runs. This summer, at age nine, Abby is finally old enough to be a camper herself, and she s sure that elementary camp will be tons of fun. But when Abby gets to camp, she discovers that life as an elementary camper is nothing like hanging out at camp as a dean s kid. Elementary camp is full of rules, rules, and more rules! She has to follow a strict schedule, swim only in the shallow, roped-off area, and share a tiny cabin with a bunch of strangers. She can t even complain to her best friend Carin about camp because Carin is in love with both camp and their cute, seventeen-year-old counselor. Will being a camper end up fun after all? Or will Abby be homesick all week?.
