When we last saw Frank Cole in *EXILE TRUST*, he solved a twenty-year-old murder and had also helped his good friend Gray Toliver uncover a plot to break into the Exile town banks safe deposit area. Frank's photographer girlfriend Beth Ann steps in when Frank and Jimmy get hold of the pictures from the birthday party, and her help doesn't end in the darkroom: Against Frank's wishes, Jimmy Hanigan soon has her working undercover in places where he and Frank would be recognized. As the trio digs deeper into the case, they learn that Pratt's death may have indeed been an accident, that no one in his family seems to want his fortune, and that an old nemesis from Frank's first case is dogging their steps. In no time at all, its...
