Comprehensive guide! Its this type of very good read through. It is actually written in simple words and phrases rather than difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

Christian Focus Publications Ltd, United Kingdom, 2008. Paperback. Book Condition: New. Reprint. 196 x 128 mm. Language: English . Brand New Book. Frost sees all healing as coming from God. Miraculous indicates that healing takes place apart from means. He is anxious to hold all truth in careful equipoise and writes in constant prayer. He presents five cases of healing in which he was involved and parallels them with five cases where the same conditions obtained but healing did not occur. That drove him to bring his belief to the test of the Word of God. He looks carefully at the teaching of those who claim that the wholeness of salvation includes physical healing for all as well as spiritual. He examines the texts they use and points out where they appear to err, weighing up the arguments for inevitable healing. He sees the Epistle of James as being written to an emerging Jewish Christian church, spiritually undeveloped, and the instructions in chapter five permissive rather than mandatory. The post-Resurrection promises apply to the apostles only. Miracles were to provide indisputable evidence that Jesus was the Messiah more than an expression of deep compassion, though they were that as well. Among his general conclusions he makes it clear that Christ heals today but exercises His own loving sovereignty in so doing - Christ will choose health, strength and length of days.the saint is ever to remain submissive to God s will whatever this may mean. The book ends with a moving testimony of healing within his own family. Taken from a review by Evangelism magazine.
