This is the finest book i have got go through right up until now. I have got read and i also am confident that i am going to planning to read once again yet again in the future. You will not truly feel monotony at at any time of the time (that's what catalogs are for about if you check with me).

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.In an article, entitled Then and Now, published in the December number, 1890, of The Arena, its author, a distinguished Unitarian D.D. of Boston, Mass., says. Astronomy has shattered the fallacies of Astrology; and people have found out that the stars are minding their own business instead of meddling with theirs. Now, while it is true that modern Astronomy has superseded the ancient system, and people have ceased to believe that the stars are intervening in mundane affairs, nothing could be further from the truth than the assertion that Astronomy has shattered the fallacies of Astrology; and those of our readers who will accord to this work an unprejudiced perusal can hardly fail to be convinced that a large majority of the people of Christendom are dominated as much by these fallacies as were our Pagan ancestry-the only difference being a change of name. The dogmatic element of religion, which was anciently designated as Astrology, is now known as Theology. All the evidences bearing upon the subject indicate that the founders of the primary form of religion were a sect of philosophers, known as Magi, or wise men, of the Aryan race of Central Asia, who, having lived ages before any conceptions of the supernatural had obtained in the world, and speculating relative to the beginnings of things, were necessarily confined to the contemplation and study of nature, the elements of which they believed to be self-existent and endless in duration; but, being wholly without knowledge of her inherent forces, they explained her manifold processes by conceiving the idea that she was animated by a great and inherent soul or spirit, emanations from which impressed all her parts...
