Germany has studied and appropriated the.works of antiquity and of her cotemporaries, and still watches as narrowly and profits as much by the writings pf all the rest of Europe as though she depended upon them for her intellectual nutriment. And yet what literature has more native soul and independence? So the monarch of rivers flows.on, his wave swelled but-not changed, his tide deepened by the streams received on his course. Contrast the English labors with the German in the reciprocal cultivation of their literatures. When you have enumerated the translation of a few fugitive pieces by Scott, Coleridge aud Taylor, the list is nearly complete of what they have taken from the...
