Comfort Publishing, LLC, United States, 2015. Paperback. Book Condition: New. 214 x 141 mm. Language: English . Brand New Book. I came that they may have life, and have it abundantly. JOHN 10:10 This verse prompted a revolution in my spiritual life. After being a Christian for several years, I was confronted with the truth about my spiritual life. While meditating on that verse, I realized my life was not spiritually abundant at all. What followed was a deliberate pursuit of the abundant life that Jesus promised His followers. My story is similar to many other Christians, who know what the Bible says about their God, but have a hard time applying His Truth to their lives. I realized that there were habits, attitudes and people in my life that were preventing me from fulfilling my full potential. These issues needed to be addressed if I were to achieve fulfillment in life. Twelve Inches is the actual distance between one s brain and one s heart. The book is designed as a practical blueprint to an abundant life, written by someone who many will relate to. It is a Biblical, tested and proven blueprint to an abundant life in Christ. It does not merely expose problems without helping the reader find solutions. It is a step-by-step, Scripture-inspired plan for anyone who wants to live out the promises that God has laid down in His Word, regardless of life s circumstances or personal limitations. The ultimate objective of this book is to take the reader from a life of little consequence for God s kingdom to one that shines brightly for Jesus in action, faith and testimony.
