Reviews

*A new eBook with a brand new point of view. It really is written in basic words and not confusing. I discovered this publication from my i and dad recommended this book to find out.

IMITATION

Amazon Publishing, United States, 2015. Paperback. Book Condition: New. 208 x 140 mm. Language: English . Brand New Book. Everyone is exactly like me. There is no one like me. Ven wrestles with these contradicting truths every day. A clone of wealthy eighteen-year-old Raven Rogen, Ven knows everything about the girl she was created to serve: the clothes she wears, the boys she loves, the friends she loves to hate. Yet she's never met the Authentic Raven face-to-face. Imitations like Ven only get to leave the lab when they're needed to replace a dead Authentic, donate an organ, or complete a specific mission. And Raven has never needed Ven . . . until now. When there is an attack on Raven's life, Ven is thrust into the real world, posing as Raven to draw out the people who tried to harm her. But as Ven dives deeper into Raven's world, she begins to question everything she was ever told. She exists for Raven, but is she prepared to sacrifice herself for a girl she's never met? Fans of Cinder, The Selection and Sara Shepard's Lying Game series will love Imitation, a thrilling, action-packed novel sure to keep readers guessing until the very last page. This is a new release of the previously self-published title.
