Brand New Book ***** Print on Demand *****.Excerpt from The Life of Marie Antoinette, Queen of France The principal authorities for the following work are the four volumes of Correspondence published by M. Arneth, and the six volumes published by M. Feuillet de Conches. M. Arneth s two collections contain not only a number of letters which passed between the queen, her mother the Empress-queen (Maria Teresa), and her brothers Joseph and Leopold, who successively became emperors after the death of their father; but also a regular series of letters from the imperial ambassador at Paris, the Count Mercy d Argenteau, which may almost be said to form a complete history of the court of France, especially in all the transactions in which Marie Antoinette, whether as dauphiness or queen, was concerned, till the death of Maria Teresa, at Christmas, 1780. The correspondence with her two brothers, the emperors Joseph and Leopold, only ceases with the death of the latter in March, 1792. The collection published by M. Feuillet de Conches has been vehemently attacked, as containing a series of clever forgeries rather than of genuine letters. And there does seem reason to believe that in a few instances, chiefly in the earlier portion of the correspondence, the critical acuteness of the editor was imposed upon, and that some of the letters inserted were not written by the persons alleged to be the authors. But of the majority of the letters there seems no solid ground for questioning the authenticity. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
