Brand New Book ***** Print on Demand *****.The Hiring Process: Yesterday versus Today Years ago it was fairly easy to find a new position. Search firms would call you with a position opening and you could take your time selecting between job offerings. Or, friends contacted you with tips that a company down the road was hiring and needed people with your skills. All that you needed to do was to update your resume from time to time and everything fell into place. Today we have a different situation: the marketplace is crawling with competition for those jobs. The time to sit back and think that a company will find you is no longer realistic. You need to put together a well-thought-out action plan to seek the job you want. This book will assist you in setting new goals and evaluating new career options. It will help you manage your job transition and employment campaign in a realistic, systematic, and organized way. What You Should Know When Looking for a Job in Today s Marketplace shares effective job search methods and a plan of action...
