By Penelope Ward

Audible Studios on Brilliance, United States, 2016. CD-Audio. Book Condition: New. Unabridged. 171 x 133 mm. Language: English . Brand New. From the author of the number-one bestselling romance Jake Undone comes a friends-to-lovers story of longing, passion, betrayal, and redemption with a twist that will rip out your heart. Skylar was my best friend, but I secretly pined for her. One thing after another kept us apart, and I've spent the last decade in fear of losing her forever. First it was the cancer, but she survived only to face the unthinkable at my hands. Because of me, she left town. For years I thought I'd never see her again. But now she's back and living with him. I don't deserve her after everything I've put her through, but I can't live without her. This is my last chance because she's about to make the biggest mistake of her life. I can see it in her eyes: She doesn't love him. She still loves me which is why I have to stop her before it's too late.
