Samhain Publishing. Paperback. Book Condition: New. Paperback. 304 pages. Dimensions: 8.3in. x 5.4in. x 0.8in. Someone wants their perfect weapon back, only she's not coming quietly. Alexa Wells wants her life back. She's just not sure what that life was. The memories inside her head are hers, and before she humiliates herself onstage one more time, she sets out to collect the scattered pieces of her mind. The trail leads to Boston, charges of identity theft and murder, and the real bombshell: a forgotten werewolf lover who insists she's a werewolf hybrid. Matt York doesn't care that she looks at him like he's been smoking crack between court cases. Now that he has her back, he's not about to let her go it alone, even if she can easily kick ass and take names all by herself. Amnesia only scratches the surface of her problems, and like it or not, she's stuck with him. She's also stuck with Robert Gamboldt, a venture capitalist who's not above murdering his way to the top. He's not about to lose his prize possession without playing dirty. It's a simple enough offer. Be his personal assassin, or go to jail. With options like that, it's enough to make a hybrid go full-blood. Warning: Delicious sexual tension with a werewolf who'll wait as long as it takes for his hybrid werewolf mate to come around. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
