

How Do Plants Help Us?

By Bobbie Kalman

Crabtree Publishing Co, Canada, Canada, 2011. Paperback. Book Condition: New. 190 x 165 mm. Language: English . Brand New Book. This interesting book teaches children about the different foods plants provide for us and for animals, and how trees provide homes for animals and wood for peoples homes. Simple explanations also describe what a plant is, where it grows, and how it makes food and cleans the air. Children are encouraged to grow vegetable or flower gardens and to plant trees with their families.

This publication will not be simple to get started on looking at but quite entertaining to learn. It generally fails to cost an excessive amount of. You will not feel monotony at anytime of your time (that's what catalogues are for about if you ask me).
