Secular theories are compatible with pastoral counseling and can be used to guide a treatment plan and to implement therapeutic interventions. The thrust of the book is that Christian pastoral counseling must be a tool available to the client because the propensity for success is greater than secular counseling. The book presents a paradigm with justification from Holy Scripture that will aid a client in solving life s problems and create a model for a life of wellbeing. It reintroduces a text that offers a well traveled and proven path of peace and joy in the Holy Spirit, a text that has been rejected by secular mental health professionals and society in general, but still survives. This text is the Bible. If the Holy Bible was used as a road map for society the problems in America would be fewer and less intense. Also once problems did occur the spiritual tools would be readily available along with the counselor to comfort the clients. The counselors, spiritual advisors, and clients would be...
