Drawing: 25 Tips to Master Drawing (FREE Bonus Included) Learn Sketching and Zen Doodle PatternsThere are all kinds of different styles of art out there. You can be a graphic artist, a visual artist, or a portrait artist. It doesnt matter what you like to do, you are an artist just the same. But suppose you dont do any of those art forms? Perhaps you like to draw, but you dont like to do anything that is considered portrait quality. Does that make you any less of an artist? Absolutely not! There is a whole category of art out there that is perfect for your needs. Let me introduce to you the world of Zentangle. Now, you might have heard of the adult coloring books they have on the market today, or perhaps you have just wondered what that funny art is you see on the internet and in various art galleries. Whatever the case, you are going to learn how to do it yourself now. You dont have to know anything about this art to get started, and by the time you are at the end of this book, you are going to be well on your way to being a great artist. This book is going to show you all kinds of tips and tricks that you can use to draw the pictures we have in here, or to apply to your own artwork later on. Learn the various techniques that I have here, and you are going to have just what..
