Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This early works on Hair dying contains a wealth of information on the subject it was originally published in 1929 under the title Blonde or Brunette . In the making of this book, a chemist and a practical hair dresser have collaborated, and we believe that we have produced the most comprehensive treatise on the subject which has been written in any language, and one, moreover, which will fill a very real need. We offer it to the general reader, to the hairdresser and beauty-culturist. Many of the earliest books, particularly those dating back to the 1900 s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.
