## THE LOWLAND

Random House India, New Delhi, India, 2013. Hardcover. Book Condition: New. Dust Jacket Condition: New. First Edition. Two brothers bound by tragedy. A fiercely brilliant woman haunted by her past. A country torn by revolution. A love that lasts long past death. This extraordinary, emotionally riveting new novel, set in India and America, expands the scope and range of one of our most beloved storytellers: the Pulitzer Prize-winning, #1 New York Times bestselling author of *Interpreter of Maladies* and *Unaccustomed Earth*. Born just fifteen months apart, Subhash and Udayan Mitra are inseparable brothers, one often mistaken for the other in the Calcutta neighborhood where they grow up. But they are also opposites, with gravely different futures ahead. It is the 1960s, and Udayancharismatic and impulsive finds himself drawn to the Naxalite movement: he will give everything, risk all, for what he believes. Subhash, the dutiful son, does not share his brothers political passion; he leaves home to pursue a life of scientific research in a quiet, coastal corner of America. But when Subhash learns what happened to his brother in the lowland outside their familys home, he comes back to India, hoping to pick up the pieces of a shattered family, and to heal the wounds Udayan left behind including those seared in the heart of his brothers wife. Suspenseful, sweeping, piercingly intimate, *The Lowland* is a masterly novel of fate and will, exile and return. Shifting among the points of view of a wide range of richly drawn characters, it is at once a page-turner and a work of great beauty and complex emotion; an engrossing family saga with very high stakes; and a story steeped in history that seamlessly spans generations and geographies. A tour de force and an instant classic, this is Jhumpa Lahiri at the height of her...
